# Welcome to iCircle Care

iCircle Care is a nonprofit Medicaid Managed Long-Term Care (MLTC) plan committed to helping those who are chronically ill or have a disability find and receive the best long-term care and treatment for their situation. As a locally based organization, we understand the needs of the people in our community. And we don't have to answer to a large, distant corporation.

iCircle Care's first priority will always be our mission of serving and enriching the lives of our members. As part of that mission, we treat all members with respect and compassion. Always.

## WHO WE SERVE

iCircle Care serves individuals residing in a 30-county region of Upstate New York who are 18 years of age or older and require long-term care supports and services. Our goal is to enable individuals with chronic illnesses and/or disabilities to safely reside in their appropriate settings by coordinating the care and support needed to perform day-to-day activities that they are unable to perform without assistance.
