## EFT INSTRUCTIONS

Please complete this EFT form in its entirety. Leaving required fields blank or failing to attach a voided check or bank letter will result in an incomplete application and/or denied claims. If you have any questions regarding the use of this form or any of the information requirements, please contact us using the information listed at the bottom of page 1 of this form. To ensure the security of your information when submitting this form via email, please submit your form and any attachments in an encrypted WinZip file, then submit the password for the WinZip file in a separate email.

### Provider Information

Provider Name	Complete legal name of institution, corporate entity, practice or individual provider	Required
Doing Business As Name (DBA)	A legal term used in the United States meaning that the trade name, or fictitious business name, under which the business or operation is conducted and presented to the world is not the legal name of the legal person (or persons) who actually own it and are responsible for it	Optional

### Provider Address

Street	The number and street name where a person or organization can be found	Required
City	City associated with provider address field	Required
State/Province	ISO 3166-2 Two Character Code associated with the State/Province/Region of the applicable country	Required
ZIP Code/Postal Code	System of postal-zone codes (ZIP stands for zone improvement plan ) introduced in the U.S. in 1963 to improve mail delivery and exploit electronic reading and sorting capabilities	Required

### Provider Identifiers Information

Provider Federal Tax Identification Number (TIN) or Employer Identification Number (EIN)	A Federal Tax Identification Number, also known as an Employer Identification Number (EIN), is used to identify a business entity	Required
National Provider Identifier (NPI)	A Health Insurance Portability and Accountability Act (HIPAA) Administrative Simplification Standard. The NPI is a unique identification number for covered healthcare providers. Covered healthcare providers and all health plans and healthcare clearinghouses must use the NPIs in the administrative and financial transactions adopted under HIPAA. The NPI is a 10-position, intelligence-free numeric identifier (10-digit number). This means that the numbers do not carry other information about healthcare providers, such as the state in which they live or their medical specialty. The NPI must be used in lieu of legacy provider identifiers in the HIPAA standards transactions	Required (when provider has been enumerated with an NPI)
Provider Type	A proprietary health plan-specific indication of the type of provider being enrolled for EFT with specific provider type description included by the health plan in its instruction and guidance for EFT enrollment (e.g., hospital, laboratory, physician, pharmacy, pharmacist, etc.)	Optional

### Financial Institution Information

Financial Institution Name	Official name of the provider's financial institution	Required
